School Rules and Code of Conduct

School rules have been established to ensure that all students are safe and able to learn without distractions. Students who consistently break the rules will be subject to consequences outlined in the STMS Code of Conduct. The Code of Conduct can be found in the student handbook section of the agenda book that each student receives during the first week of school. Consequences include: warnings, parent contact, lunch detentions, a.m. or p.m. detentions, in-school suspensions (ISS), out-of-school suspensions (OSS), and, in very rare circumstances, expulsion.
