

Summer Thinking

Dear Fourth Grade Families,

In lieu of "Summer Packets", this year our team has decided to take a more "green" approach.

Math

Practice your math facts and skills on <https://drive.google.com/file/d/1sF0cwulQePvrDHIjeVdRqz2eWvjHjc6y/view>

Writing

Write your former teacher an email and share your summer stories with him/her!

Reading

In order to become a better reader, it is important to read every day! Please read a book, magazine, newspaper, blog, etc. every day! If you need any book recommendations, feel free to email your third grade teachers!

Have a great summer!

The Third Grade Team
