

SECTION: PROPERTY

TITLE: SAFETY

ADOPTED: December 5, 2000

REVISED:

	705. SAFETY
1.Purpose	The Board establishes that the facilities of this district shall be maintained and operated in a safe condition.
2.Authority SC 510	The Superintendent is responsible for safety and the prevention of accidents in the school district. He/she shall ensure that the appropriate protective devices are installed where necessary.
3.Delegation of Responsibility	<p>The Superintendent or a designee shall prepare rules governing school safety and the prevention of accidents and fire, which shall include compliance with the requirements of state and local agencies and their regulations regarding safety and fire.</p> <p>Annually, the Superintendent and the Director of Facilities shall review all safety guidelines and regulations and recommend for Board review any changes or additions necessary to maintain the safe operation of the schools.</p>
School Code 510, 1518
