## Bus Schedules

2015 - 2016

Update Versions

Ver. 1.1 - August 31, 2015

Ver. 1.2 - September 8, 2015 @12:40PM

### Schedule Adjustments

As registrations arrive in the office and student placements change, "versions" of the original Master Bus Schedule are revised. Please check the web site @ [WWW.SDST.org](http://WWW.SDST.org) where all changes will be posted. All "shaded or highlighted sections have been revised and will remain so until the next update.

### \*\*\*Special Notes\*\*\*

1 - You must read this schedule carefully as there are changes that make this schedule different from last years'. Changes are ongoing this week (August 24) as new registrations arrive.

2 - If you do not see a stop near your address, please call the Transportation Office at 215.233.6095 to verify we have you on the student list for your particular school.

3 - It generally takes two (2) weeks for everything to settle down with regard to pick up and drop off times. Please know that we are working diligently to resolve any issues that arise.

4 - There is a "joint services agreement" between Springfield and Upper Dublin school districts. If your bus is scheduled to be an Upper Dublin bus, it will state this in the bus # area with a designation of "UD" and then the bus number.
