New Program – Exercise Science and Rehabilitation

There are so many exciting career pathways available:

You could continue your education and become a Physical or Occupational Therapist.

Maybe you will want to be your own boss and start a career as a personal trainer.

Maybe you want to work for a large fitness-focused organization, like the YMCA!

Options and Benefits

- EASTERN students often complete their programs with **college credits**
- **Dual enrolled with Montgomery County Community College** offered in Allied Health, Business and Technology Professional, and Networking and Cybersecurity programs
- Students can earn **licensure and certificates needed for a critical edge in many professions**
- Qualified seniors can participate in **paid internships**
