General Information

A. Intent

This solicitation is for the purpose of entering into a contract for the operation of a food service program for herein after referred to as the School Food Authority (SFA).

The bidder is herein referred to as the Food Service Management Company (FSMC). The contract will be between the SFA and the FSMC.

B. Procurement Method

1. All procurement transactions shall be conducted in a manner that provides maximum full and open competition consistent with Title 2 CFR §200.318-§200.327.
2. This contract will be a Cost-Reimbursable contract whereas the FSMC will be paid on the basis of the direct costs (food, labor, and supplies) incurred plus fixed fees (administrative and management fees). Expenses that represent the administrative fee must be itemized. A management fee represents the profit to the FSMC.
3. The value of commodities received must be itemized in the regular monthly billing to the SFA to document savings resulting from commodity receipt. The FSMC will ensure that its system of inventory management will not result in the SFA being charged for donated foods.
4. The SFA must determine the existence of the proper pass-through value of the donated commodities; e.g., credits or reductions on the invoice in the month of receipt. The values are to be based on the values at the point the SFA receives the commodities from the Pennsylvania Department of Agriculture (PDA), and on USDA commodity prices pertinent to the time period and shall be in the meal cost that is included in the bidder's proposal.

Once the criterion has been evaluated and ranked, the SFA may negotiate with any bidder receiving an average of **the percentage indicated below** or more (criteria must be consistent with the RFP and cannot add or delete specifications/requirements. i.e. the scope cannot change). SFAs must, in all instances, disclose all information regarding a protest to DFN.

G. Bonding Requirement

Bid Guarantee: The FSMC shall submit with its proposal, a bid guarantee for at least five percent (5%) of the total bid price (Total FSMC Costs) in the form of a firm commitment such as a bid bond, postal money order, certified check, cashier's check, or irrevocable letter of credit. Bid guarantees other than bid bonds will be returned (a) to unsuccessful FSMCs as soon as practicable after the opening of bids; and (b) to the successful FSMC upon execution of such further contractual documents (i.e., insurance coverage) and bonds as required by the proposal.

The FSMC may be considered non-responsive and the proposal may not be accepted. Any FSMC that submits a proposal for items or activities not requested by the SFA as specified in the RFP shall not be considered in the scoring process. In such instances, the FSMC also may be considered non-responsive and the proposal may not be accepted.
2. Late Bids – The SFA will not consider any bid received after the exact time specified for receipt.

O. Meal Equivalents

For the purpose of making the meal count computation, the number of meals served to children shall be determined by actual counts of reimbursable meals. The FSMC and SFA shall determine a la carte meal equivalents by dividing the a la carte revenue by the per-meal sum of the Federal and State free meal reimbursement plus the per meal value of USDA entitlement and bonus donated foods. A la carte revenue shall include adult meals and a la carte sales to students and adults. If applicable, include revenue from vending machine sales as part of the a la carte revenue.

PDE cannot provide an exclusive listing of which changes are material regarding the many procurement actions undertaken in CN programs. The SFA should consult with legal counsel in making those determinations. However, PDE views a change as material when, had the new term been in the solicitation and original contract, it could have affected how the bidder and other competitors responded to the RFP.

If there is a material change in conditions, including, without limitations, changes to the following assumptions, this contract (1) may be terminated at the end of the current term or (2) continue under the same terms as written if the material change is outlined in Section Q and approval is granted by DFN, whichever is mutually agreed upon.

The distinction between a minor change and a material change cannot be qualified for every action undertaken in the CN programs. However, at a minimum, a change is material when, had the new term been in the solicitation and original contract, it could have affected how the bidder and other competitors responded to the RFP.

Services or features contingent on multi-year contracts are not allowable, for example equipment installation may not be stipulated for contract renewal years.

1. The SFA reserves the right to expand the federal CN programs in order to provide availability of food resources to children and students that can be served through these programs so long as both parties are in agreement and prior approval is obtained by DFN.
2. The SFA's policies, practices, and service requirements shall remain materially consistent throughout the contract term and any subsequent contract renewals.

The term materially consistent shall mean that a change does not (1) materially increase FSMC's cost of providing management service or (2) materially decrease the net revenue derived from the food service operations.

3. Legislation, regulations, and reimbursement rates that create changes in the CN program shall be enforced on their effective date.
4. Usable commodities of adequate quality and variety required for the menu cycle, valued at an amount as set forth by USDA per pattern meal for the contract year will continue to be available.

- B. Contract Cost Increase: The FSMC may negotiate at the end of each one-year contract period for a cost increase. If there is an increase in the Administrative and Management Fees, it cannot exceed the annual percentage increase of the Consumer Price Index for All Urban Consumers (CPI-U) for the preceding year. The addition of new line items to the budget is not allowable in renewal years. The CPI-U can be used as a gauge for proposed increases to operating costs. However, the SFA must be able to justify approval for operating costs exceeding the CPI-U.
 - C. All contract renewals shall be for a period of one year beginning July 1 and ending June 30, with mutual agreement between the SFA and the FSMC. Renewal contracts cannot be effective prior to the final approval date by DFN and signed by both parties. Failure to have renewal contracts fully executed prior to July 1, will lapse this contract and require the SFA to re-bid the contract.
 - D. Renewal year contracts are contingent upon fulfillment of all contract provisions. If DFN determines during an Administrative Review, Procurement Review, audit, etc., that the FSMC is not meeting contractual obligations and is responsible for noncompliance of program regulations, DFN may decline to approve a renewal contract until it can be demonstrated that the FSMC is capable of meeting contractual obligations and being in compliance with program regulations.
